## IMPORTANT WEBSITE UPDATE

### YOU CAN CONNECT YOUR OLD REPLICATION LINK TO YOUR NEW AFFILIATE LINK

**Only if you have already registered for the Avroy Shlain Affiliate Programme** and received your new affiliate link, you can now connect your previous replication link to your account.

This means that customers who use your old replication link from previously shared social media posts, WhatsApp messages or online content can be redirected to your new affiliate link.

#### IMPORTANT:

Old replication links no longer work on their own. You must be registered as an Affiliate and have an active affiliate link before this redirect will work.

*The Avroy Shlain Team*
