Regional Growth Award

Top 5 per region win – based on REAL growth above target.

Each month, the Top 5 Group Managers per region will win an additional prize.

To qualify:

- You must first meet your tier's minimum growth target
 - o Builder & Grow: +15%
 - o Elite: +5%

How winners are ranked:

- Only the rand value ABOVE your required growth target counts
- The higher your growth above target, the higher your ranking

Example:

If your target is 15% and you achieve 20%, only the extra 5% (in rand value) counts toward ranking.

How Winners Are Selected

- There are 5 winners per region (total)
- All eligible tiers compete together (Builder, Grow, Elite)
- There is no fixed number of winners per tier

This means:

- All 5 winners could come from one tier
- Or be split across different tiers
- It depends on who achieves the highest rand growth above target

Important Rules

- Growth is measured vs the same month in 2025
- You must meet your minimum sales + growth target to qualify

Ranking is based on:

1. Rand growth above target
 2. If tied → higher total sales wins
- Eligibility for the Regional Top 5 Growth Award is limited to established GMs participating in the Builder, **Grow or Elite Tiers**

Breakthrough and New Manager PROMOTE OUT

Hit **R21,000** for the 1st time as a breakthrough manager or if you were promoted in 2026 and have no 2025 comparison:

- You qualify by achieving: **R21,000** minimum sales each month.
- Grand price requires all 4 months achieved

*Excluding Zimbabwe and Mozambique.
