**ALL YOU NEED,

 AND MORE**
for your crown

What are edges?

Edges refer to the hair around the hairline - including the baby hairs. These little hairs are usually fine and can either be brushed, gelled down or sleeked back into place.

How to lay your edges

Step by step guide:

STEP 1
 Lightly spritz some water on your edges/hairline. The water will help to create a layer of moisture.

STEP 2
 Use your fingertip to apply edge control gel to your hairline and smooth out your edges.
