## Giving you more!

**Phytelene Complexion Complex is botanical derived extracts** that help prevent and protect your skin from forming uneven skin pigmentation, also known as hyperpigmentation. Promotes a glowing complexion by restoring skin's even tone.

### 5% Niacinamide:

- Minimises the appearance of enlarged pores and improve "orange peel" textured skin.
- Restores skin's defenses against moisture loss and dehydration
- Visibly evens out skin tone and discolorations from sun damage

### UVA

- For added sun protection
