UNFORGETTABLE SKINCARE TIPS FOR MATTE SKIN

Oily skin stealing your shine? Follow these tips and you'll keep your skin beautifully matte.

1. A bar soap is an effective alternative to a liquid face wash at an affordable price.
2. Choose a lightweight gel moisturiser rather than a cream one.
3. Your skin restores itself at night. Invest in products that help it balance oil production while you sleep.

We have a few recommendations to help you get even with dark marks.

1. Use products formulated with ingredients like lemon bio to help clear dark spots.
