

## WE HAVE GROWN! MEET THE NEW PRODUCTS IN THE ALREADY LOVED AVROY SHLAIN PURE FAMILY.

We've added moisturising body washes to the **Avroy Shlain Pure™** range of family-friendly products. Like our popular body lotions, hand creams and soaps, these body washes are available in soothing **Aloe Vera** and hydrating **Milk & Honey** variants. Our entire range of products is enriched with **Vitamin E** to help protect skin from free radicals that could cause damage.
