A replication website link is a tool that allows you to duplicate or replicate our business website with your personalised information while still having our professional look.

**By using your unique replication website link, you can market and sell our products online through your social media platforms like, Facebook, Instagram, Tik Tock & WhatsApp. Reaching more customers means more earnings!**

1. To access your unique website link. Log-onto Revolution, click your name for your unique replication site to appear.

2. You can click on the link to open your unique site or copy it and share.

A person is shown from the chest up, applying makeup to their face. They are holding a smartphone in their right hand, which displays a social media post featuring a woman with curly hair. The background is a soft, out-of-focus indoor setting with a lamp and some jars on a table. The entire image has a light purple overlay.
